Benefit for the Shriners Keikis

Shriners Hospitals for Children delivers the highest quality care to children with a host of orthopedic, neuromusculoskeletal and neurodevelopmental disorders and diseases. Their world-class

doctors and staff members are committed to improving the lives of the children of Hawaii and the Pacific region and are experts in bone, joint, muscle, brain, and sports therapies.

Care is provided regardless of ability to pay. However, there are still numerous expenses (i.e travel) that are not covered for the patient. This is why the Hawaii Aloha Chapter of CRS and Aloha Shriners work together to raise funds to provide for such expenses. **Will you join us as a sponsor for this event?**
